

XIX Workshop on Nuclear Physics WONP-2024

Havana, Cuba, October 7-11, 2024

SECOND ANNOUNCEMENT AND CALL FOR ABSTRACTS

Dear Colleagues!

We sincerely appreciate your interest in joining the **XIX Workshop on Nuclear Physics (WONP-2024)**, which will take place in Havana from **October 7-11, 2024**. This significant event marks the 30th anniversary of our esteemed scientific conference. On this occasion we will have the pleasure of meeting at the **San Gerónimo University College**.

As always, the symposium will provide an excellent opportunity for the international scientific community to discuss current trends and tasks in several areas of applied, nuclear-related fields. Researchers and students from all over the world will be able to submit works framed in the lines promoted by the event to participate in the oral presentation or poster modalities. **Important!** The participation in the conference can be held **only in-person**.

The working language of the joint conference is **English**.

A **pre-conference school** is programmed for **October 4-5, 2024**. This school is intended for undergraduate and postgraduate students.

MAIN TOPICS

During the workshop, distinguished scientists will deliver lectures focused on presenting and discussing original research related to current challenges in applied and fundamental nuclear studies conducted globally. All participants are encouraged to submit abstracts on the following topics:

- High Energy Physics, Astrophysics and Cosmology.
- Medical Physics and Radiation Protection.
- Nuclear Analytical Techniques and Applications.
- Nuclear Instrumentation and Facilities.
- Nuclear Structure, Nuclear Reactions, and Exotic Nuclei.
- Fundamental Interactions and Neutrino physics.

RECEPTION OF MULTIMEDIAS

As this year marks an important anniversary of this distinguished symposium, we would like to receive images and videos from previous editions of the event. If you have had the privilege of participating in previous calls and would like to contribute to this action, we invite you to contact us through the official event email (wonp@instec.uh.cu) to explain how you can send us the multimedia files.

We plan to prepare a collaborative multimedia material that will be projected as part of the gala scheduled for the event's dinner session.

CONTACT and WEB PAGE

Inquiries related to the conference should be sent to wonp@instec.uh.cu, do not hesitate to contact on any issue or question.

You can access the current official conference website by scanning the QR code located in the lower right corner of this document or through this link: <https://eventos.uh.cu/event/46/>. Stay tuned for further updates on event preparations.

...We hope to see you in Havana on the occasion of WONP-2024
